Applicant	Project	Requested amount	Approved amount
Proti prúdu, o.z., Bratislava	Nota bene – the Baggage Man	64.142 €	61.642 €

Project improves employability of homeless people mainly through street sale of the magazine Nota Bene and jobs of a baggage man at the Central Railway Station in Bratislava. Various aspects of these jobs will be covered, from trainings and consulting to labour law of participating homeless people. Two issues of the Nota bene magazine will be published, public awareness about homeless ness will be increased via discussions, conference and information spreading. Norwegian partner will provide experience.

Divadlo bez domova,	Theatre of the Oppressed	77.890 €	75.890 €
o.z., Bratislava	meatre of the Oppressed	77.890 €	75.830 €

The main activity of the project is operation of the theatre of homeless actors, from rehearsals to performances on home stage to tour. Such theatre is very important for homeless actors as far it makes opportunity for return of self-confidence, showing positive way of problem solving and finding of meaningful being. The theatre is also very good way of public awareness raising about homeless ness. The exchange of know-how with the Icelandic partner as well as long-term renting of a van for disabled actors is incorporated in the project beside operation of the theatre.

Veľký Krtíš)	for education and social enterprising	59.492 €	59.492 €

The project will create new employment opportunities in beekeeping in the Novohrad region, in particular for marginalized groups. Training, starting equipment, assistance and distributing of products will be provided. Moreover, beekeeping will be popularized among elementary schools pupils and teachers. In the project, 20 new apiaries will be established. Norwegian partner will provide know-how.

Združenie mladých			
Rómov, o.z.,	Second Swallow	60.000 €	57.500 €
Banská Bystrica			

The project will create jobs for long-term unemployed and socially excluded persons in Valaská, close to Brezno. Part of the building, which belongs to the association, will be reconstructed, then laundry equipment will be purchased and installed and operation will be launched. Laundry's services will be provided to various facilities nearby. The project will create working habits of people with low employability and will contribute to their social inclusion.
